Andrew,

I have contacted Manatron but have not heard back from them yet. The copy I sent to you is the only one I can find in my office. I think this took place before my time. I am really sorry for all the confusion. As soon as I can get a copy from Manatron I will fax it to you.

Debra

Auditor Eggeman,

FYI - I still have not received the Jackson County Manatron Tax contract. I did receive the CAMA contract.

Thank you!
